

SELECT HANDS-FREE SYSTEM Bluetooth™

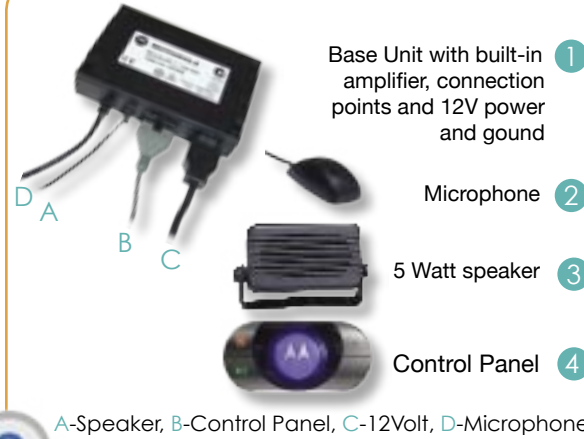

MOTOROLA HF 850 BLUETOOTH CAR-KIT

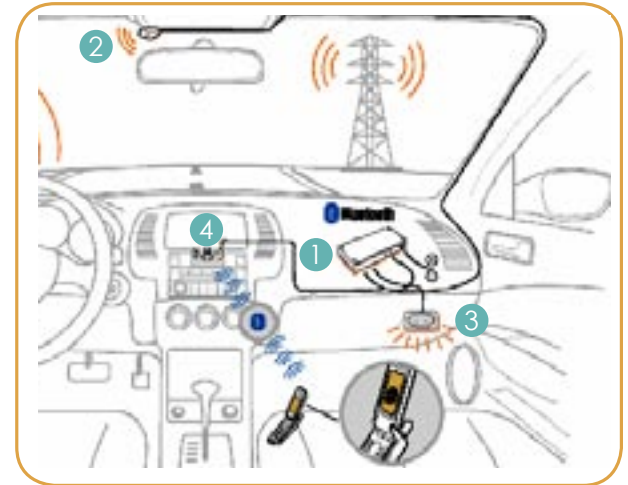

Step into the car and your Bluetooth phone automatically connects to the hands-free system. Speak into the microphone and listen to the other party through the 5-watt speaker. Answer/end calls, adjust volume, mute microphone or access voice tags from stylish control unit. Elegantly installed with all wires neatly hidden and components securely mounted.

- High quality hands-free sound
- Echo cancellation and noise reduction technology
- Stylish multi-function backlit control panel
- System turns on and off with the ignition
- Compatible with most Bluetooth phones
- Provides years of trouble-free operation
